

Monthly Indicators

February 2019

It is worthwhile to mention the weather when discussing residential real estate for large portions of the U.S. for February 2019, because this month has turned in some impressively cold, rainy and snowy days that have stalled some buying and selling actions. Nevertheless, housing markets have proven to be resilient despite predictions of a tougher year for the industry. It is still too early to say how the entire year will play out, but economic fundamentals remain positive.

New Listings increased 7.1 percent for Single Family homes but decreased 21.3 percent for Condominium homes. Pending Sales increased 10.3 percent for Single Family homes but decreased 24.0 percent for Condominium homes. Inventory decreased 14.2 percent for Single Family homes and 21.8 percent for Condominium homes.

Median Sales Price increased 15.4 percent to \$790,000 for Single Family homes and 11.8 percent to \$524,500 for Condominium homes. Days on Market increased 28.4 percent for Single Family homes but decreased 8.4 percent for Condominium homes. Months Supply of Inventory decreased 9.8 percent for Single Family homes and 20.4 percent for Condominium homes.

The National Association of REALTORS® recently reported that national existing-home sales were down slightly during January 2019 and that pending sales were up in year-over-year comparisons. It is worth noting that some softening of sales was anticipated, as was a positive sales bounce during January 2019 after a slow end to 2018. Weather-related events have hampered some of the necessary machinations of making home sales during February 2019, yet buyers have shown determination toward achieving their homeownership goals.

Historical Percent of List Price Received by Month

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income is 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. A higher number means greater affordability.

February

Year to Date

Affordability Index	Single Family	Year-Over-Year Change	Condominium	Year-Over-Year Change
