

Monthly Indicators

June 2018

Housing markets across the nation are most assuredly active this summer, and buyer competition is manifesting itself into several quick sales above asking price. While the strength of the U.S. economy has helped purchase offers pile up, the Fed recently increased the federal funds rate by 0.25 percent, marking the second rate hike this year and seventh since late 2015. Although the 30-year mortgage rate did not increase, buyers often react by locking in at the current rate ahead of assumed higher rates later. When this happens, accelerated price increases are possible, causing further strain on affordability.

New Listings decreased 28.0 percent for Single Family homes and 32.3 percent for Condominium homes. Pending Sales decreased 23.1 percent for Single Family homes but increased 8.1 percent for Condominium homes. Inventory decreased 18.3 percent for Single Family homes and 24.3 percent for Condominium homes.

Median Sales Price decreased 1.7 percent to \$727,500 for Single Family homes but increased 19.8 percent to \$515,000 for Condominium homes. Days on Market decreased 4.7 percent for Single Family homes but increased 9.9 percent for Condominium homes. Months Supply of Inventory decreased 15.9 percent for Single Family homes and 33.3 percent for Condominium homes.

Inventory may be persistently lower in year-over-year comparisons, and home prices are still more likely to rise than not, but sales and new listings may finish the summer on the upswing. The housing supply outlook in several markets is beginning to show an increase in new construction and a move by builders away from overstocked rental units to new developments for sale. These are encouraging signs in an already healthy marketplace.

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income is 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. A higher number means greater affordability.

June

Year to Date
